Gridstore wins in the 3rd Annual 2011 Golden Bridge Awards for Storage Software

Winners Honored at the Golden Bridge Awards Dinner and Presentation in New York City on August 10, 2011

Mountain View, CA – August 12, 2011 –Gridstore has earned the prestigious Golden Bridge Awards title of Best Storage Software for their Scale-out NAS solution. The coveted annual Golden Bridge Awards program encompasses the world's best in organizational performance, products and services, executives and management teams, women in business and the professions, innovations, case studies, product management, public relations and marketing campaigns and customer satisfaction programs from every major industry in the world. Organizations from all over the world are eligible to submit nominations including public and private, for-profit and non-profit, largest to smallest and new start-ups. Winners were honored in New York on Wednesday, August 10, 2011 during the 3rd annual awards dinner and presentations.

With Gridstore's Scale-out NAS solution the channel now has a turnkey NAS storage system for small and medium sized enterprises that eliminates storage sprawl and multiple single points of failure while reducing the cost of standalone NAS solutions by as much as 50 percent. The Gridstore storage platform is designed to reduce the risk, cost and complexity of traditional silo-based storage and gives small and medium sized enterprises a "Pay as you Grow" pricing model that allows organizations to add storage as needed without having to over provision and manage storage resources.

More than 40 judges from a broad spectrum of industry voices from around the world participated and their average scores determined the 2011 Golden Bridge Business Awards winners. The winners were announced during the awards dinner and presentation on August 10, 2011 in New York attended by the finalists, industry leaders, and judges.

"It's an honor to be named a winner by Golden Bridge Awards for this esteemed industry and peer business award," said Kelly Murphy, CEO, Gridstore. "These awards are a testament to Gridstore's commitment to address the storage challenges for small and medium sized enterprises by providing an enterprise-class, scale-out NAS solution our customers need with the simplicity and reliability they require at half the cost of standalone NAS offerings."
